Name	Title
_____	_____
_____	_____
_____	_____
_____	_____

11. Identify the States in which the Organization, or its subsidiaries, is registered and doing business with law enforcement or NSA Member Sheriff's Offices:

12. Provide a Listing of all Products or a description of the professional service(s), etc. for which NSA Endorsement is being requested as an Appendix to this Application. For Products, the description or product catalogue should include the following information for each product:

- a) Product Name/Nomenclature
- b) Manufacturer's Name or Code
- c) Manufacturer's Part Number
- d) A description of the Product that includes dimensional, performance, and technical characteristics
- e) Details regarding any National Institute of Justice, Military, or other National or International Technical Specification or Standard to which the Product is compliant.

13. Provide a listing of principal customers (i.e. Sheriff Offices, other law enforcement agencies, or other governmental entities/agencies, etc.) that have purchased the Programs, Products or Services as listed on any Appendix. Your listing should include the customer's name, address, telephone number and point of contact information, as well as information regarding how the Programs, Products or Services are being used and by whom (i.e. other non-profit organizations or governmental agencies).

14. Has your Organization or affiliates or any of the specific Programs/Products/Services seeking NSA endorsement been the subject of civil litigation or criminal litigation?

Yes No

If your Programs, Products, Services, or Organization have been the subject of any such civil or criminal litigation, please provide detailed information regarding the jurisdiction, case number, and information regarding the status/resolution of the complaint(s) in a statement and attach it to this Application.

Application for NSA Endorsement (Continued)

15. Does your Organization have an "Inspection", "Product Care," "Review Procedure" or "Quality Assurance Program"?

Yes No

If so, please provide a copy of this Program, and a copy of any national or international certification or accreditation your company has received under ISO 9000 or other accreditation/certification programs.

16. "Qualification Tests" are those certification tests mandated by a National, Military or International Technical Standards or Specifications to verify that the Product, software or system design meets all requirements of the Specification or Technical Standard. Do any of the Products described in any Appendix require Qualification Testing to verify conformance of the Product, software, or system design to National Institute of Justice, or other National, Military, or International Technical Specifications or Standards:

Yes No

If so, please identify the Product(s), the Technical Standard(s), and the Title and Date of the most recent Qualification Test Report(s) for each qualified Product in a listing attached to this Application. (Wholesale Distributors seeking NSA Endorsement of Qualified Products, Software, or Systems must obtain and provide the requested information from the Original Equipment Manufacturer.)

17. If your Organization is requesting NSA Endorsement of Professional Services (Facility Management, Engineering, Architectural, Construction, Health Care Professionals, etc.) or NSA Endorsement of Support Services (Security, Custodial, Food Service, etc.), please attach a listing of Position Descriptions associated with provision of those services, and for each position, describe the minimum qualifications, level of education, and experience required by your company for incumbents to these positions. Please include any professional licensing or other certification you require for personnel occupying these positions.

18. Certification Statement

The undersigned, _____, being a properly appointed officer/agent of _____, does hereby affirm the statements contained in this Application and its Appendices and requests the Board of Directors of the National Sheriffs' Association, or its proper agents, to initiate a Due Diligence Inquiry through its Agent: Secure Systems Group, Ltd., Dayton, Ohio in order to render a determination regarding NSA Endorsement of the Programs, Products and/or Services listed as part of this Application.
