

2015 EXHIBITOR'S PROSPECTUS

NATIONAL SHERIFFS' ASSOCIATION ANNUAL CONFERENCE & EXHIBITION

BALTIMORE, MARYLAND

JUNE 26-JULY 1, 2015

The exhibit hall provides sheriffs and their staff an opportunity to view the latest technology and talk with vendors to become better informed. It also provides us hands-on resource material that we can bring back to our offices so all of interest can view it. The exhibit hall is a very important part of our conference.

REACH THE TOP DECISION-MAKERS

NSA's 2015 Annual Conference & Exhibition

Bring your products and services to the NSA Exhibit Hall. Sheriffs, their appointed purchasing agents, and other qualified buyers will gather in Baltimore to see the current products for law enforcement, criminal justice, and corrections personnel that you have to offer.

Sheriffs have buying power and authority for their counties. This is your opportunity to make valuable contacts and develop relationships on the exhibit hall floor.

Exclusive exhibition hours have been set aside so you can talk with decision-makers without distraction. There will be training seminars, health fair & competition zone, and prize drawings in the hall to promote traffic as well as other incentives to ensure that sheriffs walk through all the aisles, giving you the opportunity for face-to-face selling time.

Most importantly, your company is one of a select group invited to exhibit at NSA's show because your products and services are of immediate interest to our prestigious membership and conference attendees!

Why Exhibit at the NSA Conference?

NSA's Annual Exhibition has been a sold-out show for the past fourteen years. Industry suppliers from across the country recognize that it is the place to be to reach the buying power of the nation's sheriffs. Your competition will be there, and so should you!

Demographics

Attendees from across the U.S. include sheriffs and their staff, and jail and court security personnel. Also included are FBI, U.S. Marshals, DEA, chiefs of police and ICE agents. Average 3700-4200 attendees, which includes approximately 1400 exhibiting attendees.

Exhibitor Benefits

Besides being the best way to reach U.S. sheriffs and county law enforcement/corrections agencies, benefits to exhibitors include:

- Company listing in the Official Conference Program (deadline applies). Listing includes company name, mailing address, booth number, phone number, contact email, web address, and 25-word company/product description.
- A 5% DISCOUNT on ads placed in the pre-conference issue of Sheriff magazine (deadline applies).
- A FREE Annual Sheriffs' Directory, which includes the address, phone/fax numbers, and email address for every sheriff's office in the U.S. (distributed at the show).
- Exclusive exhibit hall hours.
- Evening networking opportunities with the nation's sheriffs.
- Pre- and post-show attendee list (excluding opt out)

EXHIBITION RULES AND REGULATIONS

1. Standard Booth Description and Height Restrictions

Definition: One or more standard units in a straight line.

Depth: All display fixtures over 4 ft./1.22m in height and placed within 10 lineal ft./3.05m of an adjoining exhibit, must be confined to that area of the exhibitor's space which is within 5 ft./1.52m of the backline.

Intent: Each exhibitor is entitled to a reasonable sightline from the aisle, regardless of the size of his exhibit. Exhibitors with larger space (30 lineal ft./9.14m or more) should also be able to effectively use as much of the total floor space as possible, as long as they do not interfere with the rights of others. The limitation on display fixtures over 4 ft./1.22m and within 10 lineal ft./3.05m of a neighboring exhibit is intended to accomplish both of these aims.

2. Set-up and Removal of Exhibits

Exhibit set-up begins Saturday, June 27:

Vehicles only from 8:00 am - 12:00 pm. All exhibits must be completely set by 5:00 pm on Sunday, June 28. Space not claimed and occupied by 3:00 pm on Sunday, June 28, will be forfeited and may be reassigned. Booth installation will not be permitted after the show opens. Exhibits must be removed from the Convention Center between 2 - 10 pm on Tuesday, June 30 or 8 am to 12 pm on Wednesday, July 1. However, exhibitors may not remove, dismantle, or begin to pack materials or displays before 2:00 pm on Tuesday, June 30. Any exhibitor who begins to tear down prior to this time will jeopardize participation in future shows.

3. Tentative Show Hours

Monday, June 29 9:00 am - 2:00 pm

Tuesday, June 30 9:00 am - 2:00 pm

At least one company representative must be present in the booth at all times during show hours.

4. Proper Use of Exhibit Space

Exhibitors may not reassign, sublet, or allow other companies to use the whole or a part of the space assigned by NSA. Exhibitors may not display or advertise any goods or services not manufactured, distributed, or otherwise provided by the exhibiting company during the normal course of business. All displays, demonstrations, sales activities, etc., must be contained within the reserved booth space. Exhibitors may not impede traffic through the aisles.

Only those companies exhibiting or sponsoring with NSA can promote their products or services and only in their assigned space. NSA policy firmly restricts representatives or organizations that have not been assigned an official exhibit booth space from soliciting business and from distributing promotional materials of any type within the Exhibit Hall area or any other areas. Those caught doing so will be immediately asked to leave.

NSA's status as a nonprofit organization precludes direct sales of any goods from the exhibit floor. Delegates may place orders with exhibitors for goods or services.

The use of audio-visual or other special effects equipment may not obstruct or otherwise interfere with adjacent booths.

5. Shipping, Decorating, and Services

An exhibitor service kit will be emailed to registered exhibitors, which will provide complete instructions, shipping information, and cost of available services. Rental furniture, special booth decorations, signs, labor, and electrical and janitorial services can be ordered in advance at prevailing rates. Brede is the official NSA service contractor.

6. Liability

NSA shall not in any manner nor for any cause be held liable or responsible to any Exhibitor or any person for any injury or damage to any person, business or property in any related to or arising in connection with NSA's Exhibition.

Each Exhibitor agrees to indemnify and to hold harmless NSA and its directors, officers, employees and agents (the Indemnified Parties) against any and all claims, liabilities, losses and expenses incurred or asserted against the Indemnified Parties which are caused by any act or omission of the Exhibitor or which occurs within the leased Exhibit Space by the Exhibitor or arises in connection with the activities of the Exhibitor with regard to the NSA Exhibition.

7. Insurance

An Exhibitor acknowledges that NSA and the Baltimore Convention Center do not maintain insurance covering the Exhibitor's Property; and it is the sole responsibility of the Exhibitor to obtain business interruption coverage and property damage insurance covering any such property losses incurred by the Exhibitor.

8. Weapons and Explosives

Because of insurance restrictions, all weapons displayed in the exhibit hall must be rendered inoperative. This may be done by the removal of a critical component or by using trigger locks. All weapons will be inspected by an armorer before opening the exhibit hall. Live explosives of any type, that include but are not limited to ammunition, smoke grenades, or other devices, are not permitted in the exhibit hall under any circumstances. Be sure to check the state of Texas law pertaining to bringing weapons into the state.

9. Cancellation and Relocation

NSA reserves the right to cancel or relocate the event. If NSA cancels or relocates the event due to circumstances within NSA's controls, NSA's liability shall be limited to a refund of payment for rental costs paid NSA by the exhibitor in accordance with the payment section of this Agreement. In the event that NSA has no control over the cancellation or relocation of the exhibition, NSA has no liability of any kind, but may, in its discretion, refund any payments for rental costs paid by the exhibitor. In any event, NSA's maximum and sole liability, if any, to the exhibitor in the event of cancellation or relocation, shall be for the return of the deposit or a portion of the deposit, as NSA, in its discretion, determines.

10. Rejection of Application

NSA reserves the right to cancel or refuse rental of display space to any person or company whose conduct or display of goods is, in the opinion of the show manager, incompatible with the general character and objectives of the exhibition.

11. Compliance with the Law

NSA and the exhibitor shall comply with all laws and/or ordinances of the United States, the state of Maryland, and the city of Baltimore and wherever applicable, all rules and regulations of the local police and fire departments during the exhibition and during the preparation, set-up, and teardown of the exhibition.

12. Interpretation and Amendment

NSA and the show manager shall have full power to interpret or amend these Rules and Regulations. The exhibitor agrees to abide by any rules or regulations that may be adopted hereafter by NSA. These Rules and Regulations become a part of the contract between the exhibitor and the National Sheriffs' Association. They have been formulated in the best interest of the exhibitors. The show manager respectfully asks the full cooperation of the exhibitors in complying with these Rules and Regulations. All points not covered are subject to the decision of NSA.

13. All exhibiting companies must be in good standing with NSA, i.e., all outstanding invoices (over 30 days) for advertising, or any other entity, must be paid in full before exhibiting companies will be allowed to set up their display.

14. NSA requires all exhibitors to abide by the good neighbor policy. All exhibitors must consider those across the aisle and those on either side of them when their display involves lights, sound, etc. Pictures or videos cannot be taken of another person's booth without their expressed permission.

15. Suit Casing

Strictly forbidden.

I really enjoy spending time in the exhibit hall. It lets me see the new products available for our profession and keep up with the latest developments. I also enjoy continuing the valuable relationships developed over the years.

– Sheriff Leidholt, NSA 2013-14 President
