**THE NATIONAL SHERIFFS' ASSOCIATION SUPPORTS THE ESTABLISHMENT OF
A PUBLIC-PRIVATE PARTNERSHIP DAY**

WHEREAS, the National Sheriffs' Association is a professional association dedicated to serving the Office of Sheriff and representing thousands of sheriffs, deputies and other law enforcement, public safety, and private security professionals, and concerned citizens nationwide.

WHEREAS, NSA has numerous permanent standing committees representing various interests, including the Outreach Committee and its Crime Prevention/Private Security subcommittee. NSA frequently collaborates with all facets of law enforcement nationally – including federal, state, county, and other local law enforcement agencies and organizations, as well as many adjunct associations.

WHEREAS, NSA has always recognized and valued the necessary partnership between public law enforcement and private security and law enforcement and recommends that sheriffs work to build a working relationship with private security organizations and individuals in their communities.

WHEREAS, NSA partners with Security Industry Alarm Association and The Monitoring Association to award the Sheriff/Private Security Partnership Award annually, which recognizes an exemplary partnership between a sheriff's office and a private-sector partner.

NOW THEREFORE BE IT RESOLVED that the National Sheriffs' Association does hereby support the ASIS International Public-Private Partnership (P3) Day for law enforcement and security professionals, in celebration and recognition of the many contributions and dedicated hard work of these members and agencies in securing our communities and infrastructures.
