IN PARTNERSHIP WITH THE
National Sheriffs' Association

LE SupplyPRO is Endorsed by the National Sheriffs' Association (NSA)

For over 75 years, the National Sheriffs' Association has provided programs and services for sheriffs, their deputies, chiefs of police and others in the field of criminal justice.

NSA and Gearfire, a proven ecommerce technology provider, partnered to create LE SupplyPRO. It lets authorized agencies and designated personnel procure all products needed for law enforcement and jail operations. The ability to cost-effectively search, find, purchase and track is the unique factor for law enforcement.

LE SupplyPRO intends to leverage the purchasing power of member agencies to achieve price parity across the United States for any size agency. Through this, the revenue generated will help support the mission and goals of NSA.

LE SupplyPRO has the unanimous support from NSA executive leadership.
