**HOW IT WORKS**

   Requests must come from a U.S. law enforcement agency and be authorized by the chief executive of the agency.

2. An IACP staff member will contact the requestor and collect additional information.

3. The CRI-TAC will assess the request and make a determination on type of TA to be delivered.

4. The CRI-TAC will work with the agency and applicable partner organizations to develop a customized plan to include success metrics and follow up.
